

ALDERLEA

Zac Brown and Julie Powell took over Alderlea Vineyards in 2017 from Roger and Nancy Dosman whose strong vision for an island vineyard and skilled winemaking made Alderlea one of the pioneers in Vancouver Island winegrowing.

~2015 CLARINET~

Hand-tended old vines produce this dark, ripe and full-bodied wine. Concentrated aromas of sweet blackberries and a hint of coffee are followed by bold fruit flavours and a touch of black pepper on the finish.
