

HONEY FARM & MEADERY  
**TUGWELL**  
 CREEK

Tugwell Creek Honey Farm and Meadery was licensed as British Columbia's first Meadery in 2003. The meadery produces small batches of hand-crafted mead from local berries and the honey comes from around the farm.

**~2017 KILT TWISTER~**

Fresh heather and hops, grown on the farm, are added to pure water and wildflower honey to create this dry, beer-like bottle-conditioned mead.
