ESQUIMALT

Vancouver Island

QUINN AND MICHELA PALMER ARE BOTANICAL ALCHEMISTS, crafting unique mead-based botanical elixirs that you and I know as Vermouth, and perhaps more broadly, Apéritif wines. After spending 2.5 years deep-diving into botanicals, recipe development, and wine making, their Rosso Vermouth was launched in July 2019.

ROSSO VERMOUTH

Delicious, classically-styled red vermouth with plenty of Vancouver Island character. 32 precisely extracted botanicals are aged in solera, then blended with a base of blueberry-blossom mead to create a vermouth that's rich in plums, figs, oranges, brown sugar and spices.

Size:500ml
Type: Vermouth
SKU: 250583
Price: $21.45
Case: 12

Also available in 3L boxes for restaurants

DRY VERMOUTH

Following the French tradition, this is not totally dry, but rather off-dry The touch of sweetness balances the assertive bitterness that comes from a higher wormwood content. Tastes like honeysuckle, apples and pears, with a little funk that transforms into rich peach, chamomile and elderflower.

Size: 500ml
Type: Vermouth
SKU: 250595
Price: $21.45
Case: 12

Also available in 3L boxes for restaurants

VINO MIELE LIMONCELLO

Lemon and honey is a flavour combination that transcends the ages, and while traditional limoncello is made by steeping lemon peels in high-proof alcohol and then adding water and sugar, this version blends high-proof lemon peel with a sweet mead base, lifting the aromatics to the next level.

Size: 500ml
Type: Apéritif
SKU: 444974
Price: $21.45
Case: 12

PALMER'S SPICED APPLE

Price: $21.45

BITTER ORANGE

Orange blossom, vanilla, almond and herbaceous bitterness dance together in this citrus apéritif inspired by late-night tiki drinks with a bitter flare. Hints of cinnamon and clove make this bold apéritif shine with aged spirits like rum or whisky.
